Mr. Joseph Brauner,
17 E. Spring St.,
Williamsville, N.Y.

Dear Sir:

We were very glad to hear from you again on another one of our test programs. We had wonderful reports from various states on this test program, as we always do, and they surely do help us here at the station.

We thank you for your report and your comments.

With best wishes, we remain,

Yours truly,

W K B S
